

Lone Oak Estate Winery

My name is Larry Ratto and I am the owner of Lone Oak Ranch and Vineyards and the Managing Partner of Lone Oak Estate Winery.

I am again offering some of our Merlot for sale. We can deliver orders of one half ton or more to the Bay Area. We have been growing quality fruit since 1929. Since our first vintage in 2002, our winery has produced award winning estate grown Merlot, Our Merlot has won medals at the SF Chronicle Wine Competition, the San Diego International Wine Competition and the California State Fair.

Our Merlot vines are 13 years old and are planted at 1100 ft. elevation in our mountain/hillside vineyard. In addition to delivering grapes, we can, for the first time, also offer customers the choice of picking up their grapes at our location. We also can offer custom crushing/de-stemming at our winery.

We are located off the US 101 on Highway 128 five and a half miles northwest of Cloverdale where the Alexander Valley and Yorkville Highlands appellations meet. Our fence line is the county line for Sonoma and Mendocino Counties. All of our vineyards are locate in the Yorkville Highlands appellation in Mendocino County.

I would be happy to talk to any members if there is any interest. I can be reached at 510-538-6420. My e-mail address is larry_ratto@comcast.net.
